EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 AND RULES MADE THEREUNDE, IF ANY:
Item No. 3: To approve existing and new Material Related Party Transaction(s) with RNS Infrastructure Limited (RNSIL) in terms of Regulation 23 and such other applicable provisions, if any, of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with applicable provisions of the Companies Act, 2013:

The Companies Act, 2013 aims to ensure transparency in the transactions and dealings with the related parties of the Company. The provisions of Section 188(1) of the Companies Act, 2013 read with Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, govern the Related Party Transactions for entering into any contract, transactions or arrangement with the related party (ies).

The provisions of the SEBI Listing Regulations, as amended by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021, effective from April 1, 2022, mandates prior approval of Members by means of an ordinary resolution for all material related party transactions, even if such transactions are in the ordinary course of business of the concerned company and at an arm's length basis. A transaction with a related party shall be considered as material as defined in schedule XII of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Further, the SEBI vide its latest circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93 dated June 26, 2025 has modified the Industry Standards on "Minimum information to be provided for review of the audit committee and shareholders for approval of a related party transaction" ("Standards") to facilitate uniform approach and assist listed companies in complying with the provisions of Regulation 23 of the SEBI Listing Regulations read with the SEBI Master Circular no. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024 ("SEBI Circular"). The Standards inter alia requires listed entity to provide minimum information, in specified format, relating to the proposed RPTs, to the Audit Committee and to the shareholders, while seeking approval.

It is in the above context, Resolution No. 3 is placed for the approval of the Members of the Company along with necessary details on the proposed RPTs provided in this Statement.

The Management of the Company has provided the Audit Committee with the relevant details (as required under the Standards) about the proposed RPTs including rationale, material terms, justification as to why the proposed RPT(s) are in the interest of the Company and the basis of pricing. The Audit Committee has reviewed and taken note of the certificate placed before it by the Executive Director and Chief Financial Officer of Murudeshwar Ceramics Limited (the Company/ MCL), confirming that the proposed RPT(s) are not prejudicial to the interest of public shareholders of the Company and nor are the terms and conditions of the proposed RPT(s) unfavorable to the Company, compared to terms and conditions, with an unrelated party.

The Audit Committee of the Company has approved the said related party transactions at its meeting held on May 29, 2026 and has noted that although the proposed related party transactions are in the ordinary course of business of the Company and shall be entered into at an arm's length basis, they may, in aggregate, cross the applicable materiality thresholds as mentioned above. Accordingly, as per the SEBI Listing Regulations, prior approval of the Members is being sought for all such arrangements/ transactions to be undertaken by the Company. Your Board of Directors considered the same and recommends for passing the resolution contained in Item No. 3 of the accompanying Notice.

FOR THE FINANCIAL YEAR ENDED 31st MARCH 2026

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Murudeshwar Ceramics Limited
604/B, Gokul Road, Industrial Estate,
HUBLI - 580030

I have conducted the secretarial audit of the compliance of applicable statutory provisions under the Listed enactments and the adherence to good corporate practices by MURUDESHWAR CERAMICS LIMITED, (CIN: L26914KA1983PLC005401), having its Registered Office at '604/B, Gokul Road, Industrial Estate, Hubli, Karnataka- 580030' and a place other than Registered Office at '7th Floor, Naveen Complex, 14, M G Road, Bangalore Karnataka- 560001 India' (hereinafter referred as the "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and the representations made and also the information, clarifications provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2026 ("the Audit Period") complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company and made available to me pertaining to the financial year ended on 31st March, 2026, wherever applicable and in accordance with the provisions of:

- 1) The Companies Act, 2013 (the Act) and the Rules made there under;

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Forming part of the Board's Report

Economic Overview

The Global economy is again disrupted, this time with the outbreak of war in the Middle East. Rising commodity prices, firmer inflation expectations, and tighter financial conditions are testing the recent resilience. Under the assumption of a limited conflict, the Global GDP growth is projected to slow from 3.4% in 2025 to 2.8% in 2026 before picking up to 3.1% in 2027. Policy interest rates are expected to remain broadly stable this year in most major economies with underlying price pressures generally projected to remain contained, before easing slightly in 2027 (Sources OECD Economic Outlook, Interim Report March 2026).

Whereas, India recorded a robust real GDP growth of 7.7% for the financial year 2025-26, with the growth rate accelerating to 7.8% in the final quarter (January to March). This performance cemented its status as one of the world's fastest-growing major economies, outperforming earlier projections and weathering global trade headwinds. India continued to demonstrate strong economic fundamentals and remained among the fastest-growing major economies in the world. Growth was supported by sustained public infrastructure spending, rising urbanization, increasing private sector investments, stable financial markets, and continued policy reforms aimed at enhancing competitiveness and ease of doing business.

About Industry Structure and Development

The Indian ceramic tile industry is one of the largest and fastest-growing segments of the building materials sector, driven by increasing urbanization, housing demand, infrastructure development, commercial construction, industrial corridors and renovation activities. The industry comprises organized and unorganized players engaged in the manufacture and marketing of ceramic wall tiles, floor tiles, vitrified tiles, glazed vitrified tiles, sanitaryware, and allied products catering to both domestic and international markets.

During FY 2025-26, the industry witnessed steady growth supported by continued investments in residential housing, commercial real estate, urban infrastructure, hospitality projects, and government-led development initiatives. Demand was further supported by increasing consumer preference for premium products, large-format tiles, innovative surface finishes, and aesthetically differentiated designs. The organized segment continued to gain market share, driven by enhanced product quality, brand recognition, wider distribution networks, and increasing compliance requirements.

Outlook:

The Global Ceramic Tiles market size in 2026 is estimated at USD 228.8 billion, growing from 2025 value of USD 212.17 billion with 2031 projections showing USD 333.67 billion, growing at 7.84% CAGR over 2026-2031. The India ceramic tiles market size is expected to increase from USD 10.45 billion in 2025 to USD 11.30 billion in 2026 and reach USD 16.70 billion by 2031, growing at a CAGR of 8.12% over 2026-2031.

The outlook for the Indian ceramic tiles industry remains positive, supported by strong macroeconomic fundamentals, rising urbanization, increasing housing demand, and continued investments in infrastructure and real estate development. Government initiatives focused on affordable housing, smart cities, urban infrastructure, and industrial development are expected to continue generating demand for ceramic and vitrified tiles across residential, commercial, and institutional segments. India has emerged as the world's second-largest producer, consumer, and exporter of ceramic tiles, reflecting the sector's growing importance in the global building materials industry.

Opportunities and Threats:

The Company is well-positioned to capitalize on the long-term growth potential of the building materials sector. Increasing investments in housing, infrastructure, and urban development are expected to support demand for ceramic and vitrified tiles. Evolving consumer preferences toward premium products, innovative designs, and sustainable solutions present opportunities to enhance product offerings and improve profitability. The Company's focus on operational efficiency, brand development, and market expansion can further strengthen its competitive position in domestic and international markets. Further, The Indian Government is investing huge for developing and upgrading the infrastructure, including residential, commercial, and public properties like Airports, Railway Stations, Metro Rails etc.

At the same time, the industry remains exposed to several external risks. Rising energy and raw material costs due to geopolitical tension in middle east, Russia Ukraine war situations, and trade tariff as initiated by USA continue to pose challenges to cost management. Competitive intensity, coupled with pricing pressures, may impact margins. Macroeconomic slowdowns, changes in government policies, environmental regulations, and uncertainties in global trade could affect demand and business performance. The Company continues to monitor these developments closely and remains focused on risk mitigation, operational excellence, and sustainable growth.

Segment-Wise or Product-Wise Performance:

The financial performance and operational performance have been more fully described in the Board's Report. Shareholders may refer to the same in the Board's report and financial statements for further reference.

(Rs. In lakhs)

Segment	Sale of Products	Sale of Service
2025-26	14,822.67	5,677.07
2024-25	13,810.46	6,430.71

- The sale of products has increased by 7.33% at Rs. 14,822.67 lakhs in compared to Rs. 13,810.46 lakhs of the previous year

p) Compliance with non-mandatory requirements under Corporate Governance Provisions:

The Company has taken action to comply with non-mandatory requirements to the following extent:

- At present Shri Satish Rama Shetty is the Chairman and Managing Director of the Company.
- Audit qualification:** The Company is in the regime of unqualified financial statements.
- Reporting of Internal Auditor:** The Internal Auditor of the Company reports directly to the Audit Committee.
- Training of Board Members:**

During the year under review, the Board Members were provided with opportunities to enhance their knowledge and skills through orientation sessions, regulatory updates, and training programs covering relevant areas such as corporate governance, legal and regulatory developments, risk management, sustainability, industry trends, and emerging business challenges. The Board members are provided with necessary documents/ brochures, reports and internal policies to enable them to familiarize with the Company's procedures and practices. Periodic presentations are made at the Board and Board's Committee Meetings on business and performance updates of the Company, global business environment, business strategy and risks involved.

5) The Whistle Blower Policy:

The Company is committed to maintaining the highest standards of ethical, moral, and legal conduct in its business operations. To promote a culture of transparency, integrity, and accountability, the Company has established a Whistle Blower Policy (Vigil Mechanism) that enables directors, employees, and other stakeholders to report genuine concerns regarding unethical behavior, actual or suspected fraud, violation of the Company's Code of Conduct, financial irregularities, or any other misconduct.

The policy provides a secure and confidential mechanism for reporting concerns without fear of retaliation, discrimination, or victimization. Adequate safeguards have been incorporated to protect whistle blowers who raise concerns in good faith. The policy also ensures that all reported concerns are investigated promptly, fairly, and independently. The Audit Committee oversees the implementation and effectiveness of the Whistle Blower Policy and reviews complaints received under the mechanism. During the financial year under review, no personnel were denied access to the Audit Committee.

The Company affirms its commitment to providing an environment where concerns can be raised freely and addressed appropriately. The Whistle Blower Policy is available to all employees and stakeholders and is reviewed periodically to ensure its continued relevance and effectiveness.

6) Risk Management:

The Company has established a comprehensive risk management framework to identify, evaluate, monitor, and mitigate risks that may affect its business objectives and operations. The framework is designed to ensure timely identification of emerging risks and implementation of appropriate mitigation measures.

The Board oversees the risk management process through periodic reviews of key business, operational, financial, regulatory, and strategic risks. Based on such reviews, the Board is of the opinion that adequate internal controls and risk mitigation mechanisms are in place and are operating effectively. No material risks have been identified that, in the opinion of the Board, may threaten the Company's continuity or significantly impact its performance.

Independent Auditor's Report

To the Members of Murudeshwar Ceramics Limited

Report on the Audit of Standalone Ind AS Financial Statement

Opinion

We have audited the Standalone Ind AS Financial Statements of **Murudeshwar Ceramics Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2026, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Standalone Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the Profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS Financial Statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Ind AS Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the Key Audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
1. Inventory The Value of inventory as at 31.03.2026 is 11,458.15 lakhs which is 18.61% of total asset value. Given the size of the inventory balance relative to the total asset size of the Company, the valuation of inventory required significant audit attention. As disclosed in the notes forming part of statement of accounts inventories are held at the lower of cost or net realisable value determined using weighted average cost. The determination of valuation of inventory requires management to exercise qualitative judgments and apply assumptions.	We have performed the following procedures w.r.t valuation of the inventory and assessment of procedures of physical verification of inventory during the period to ensure accuracy of inventory reporting On a sample basis, we tested the net realisable value of inventory to recent selling prices. We have also considered the stock audit report by stock auditors engaged by the lending bank to ensure that there are no inconsistencies in reporting At the year end, the valuation of inventory is reviewed by management and cost of inventory is revalued where inventory is forecast to be sold below cost. In the view of the management, basic raw material used is clay for manufacturing of tiles and the same being a natural resource, does not have any depletion in value over the passage of time.

K.G. Rao & Co.
Chartered Accountants

Key Audit Matter	Auditor's Response
2. Property, Plant and Equipment Additions to Fixed assets during the year were 5636.63 lakhs (including CWIP of the previous year). Inappropriate timing of capitalization of project/ inappropriate classification of categories of the items of PPE could result in material misstatement of CWIP/ PPE with consequent impact on depreciation charge and results for the year.	Our audit procedures included testing the design implantation and operating effectiveness of controls in respect of review of capitalization of assets, particularly in respect of timing of the capitalization and recording of additions to items of various categories of PPE with source documentation, substantive testing of appropriateness of cut-off date considered for project capitalization. We tested the source documentation to determine whether the expenditure is of capital nature and has been approved and segregated into appropriate categories. We reviewed operating expenses to determine the appropriateness of accounting.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

We draw attention to Note No. 16 of the Standalone Ind AS Financial Statements, with reference to Statutory Remittances which includes GST payable of Rs. 456.78 Lakhs which is subject to reconciliation.

Our opinion is not modified in respect of the above matter.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the state of affairs, profit/loss, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, Including Indian Accounting Standard (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Standalone Ind AS Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Standalone Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality

Materiality is the magnitude of misstatements in the Standalone Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Ind AS Financial Statements.

Communication with those charged with governance

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure - A to the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal & Regulatory Requirement' of our report to the members of Murudeshwar Ceramics Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") of Murudeshwar Ceramics Limited

We have audited the internal financial controls over financial reporting of **Murudeshwar Ceramics Limited** ("the Company") as of 31 March 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. The Guidance Note and those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial

reporting were operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit & in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and

Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- (b) In our opinion, there are no ongoing projects towards Corporate Social Responsibility (CSR) requiring a transfer to special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.
- xxi. Our reporting on the matters specified in paragraphs 3(xxi) and 4 read with the proviso to paragraph (2) of the Companies (Auditor's Report) Order, 2020, has been made in paragraph (2) of Other Legal and Regulatory Requirements section of our Auditor's Report on the Consolidated audited financial statements.

Note:2 Significant Accounting Policies

1. Basis of Preparation

These financial statements are separate financial statements prepared in accordance with Indian Accounting Standards ("Ind AS"), the provisions of the Companies Act, 2013 ("the Act") (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakhs, unless otherwise indicated.

Basis of measurement

The financial statements have been prepared on the historical cost basis except certain financial assets and liabilities which are required to be measured at fair value as per Ind AS.

2. Use of estimates and judgment

In the application of the Company's accounting policies, the directors of the Company are required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Current / Non-Current Classification

The Company recognizes any asset or liability as current if it satisfies any of the following conditions:

- Asset/Liability is expected to be realized/settled during the company's normal operating cycle.
- The asset is intended for sale or consumption.
- The Asset/Liability is held primarily for the purpose of trading.
- The Asset/Liability is expected to be realized/settled within 12 months after the reporting period.
- The Asset is cash/cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- In the case of the liability, the company does not have an unconditional right to defer the settlement of liability for at least 12 months after the reporting date.

All other assets/liabilities are classified as non-current.

3. Revenue

- Disclosure as per Ind AS 115 "Revenue from contract with Customers - Revenue from contract from customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS (Contd..)

to which the company is expected to be entitled to in exchange for those goods or services. The Transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by company as part of the contract. Revenue is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

- ii) Sale of Products - Revenue from sale of products is recognized when the control on the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time that is, when the material is shipped to the customer or on delivery to the customer as may be specified in the contract.
- iii) Rendering of Services - The Revenue from services is recognized over time by measuring progress towards satisfaction of performance obligations for the services rendered. The company uses output method for measurement of revenue from services.
- iv) Interest - Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.
- v) Dividend - Revenue is recognized when the shareholders' or unit holders' right to receive payment is established, which is generally when shareholders approve the dividend.
- vi) Rental Income - Rental income from the properties given on lease (net of any incentives given to the lessees) is recognized on accrual basis over the lease term.

4. Expenses

All expenditures are accounted on accrual basis after reducing any specific income attributable to such expenditure.

5. Property, plant and Equipment

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalized as the activities undertaken to improve the economic benefits expected to arise from the asset.

Capital Work in Progress

The cost of assets not ready for intended use, as on the balance sheet date, is shown as Capital Work in Progress.

Depreciation commences when the assets are ready for their intended use

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of Plant and Machinery and Factory building, in those case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Depreciation is provided on estimated useful lives of the assets as per Schedule – II of the Companies Act, 2013 except for the following assets where the useful life has been estimated based on the technical estimate.

<u>Assets</u>	<u>Estimated Life</u>	<u>Life as per Schedule-II</u>
Plant & Machinery	25-30 Years	20 Years
Building/Factory	50 Years	60 Years

Amounts spent on Site preparation at Quarry for mining of Clay have been capitalized under the head Building-Others and Depreciation provided accordingly.

No depreciation is charged on capital work in progress and free hold land.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS (Contd..)

The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

Derecognition

The carrying amount of an item of property, plant and equipment, is de-recognized on disposal or when no future economic effects are expected from its use or disposal. The Gain or Loss arising from the Derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the statement of profit and loss when the item is derecognized.

6. Inventories

Raw Materials, Work in progress, Finished goods, packing materials, stores, spares, components, consumables and stock in trade are carried at the lower of cost and net realizable value. However, the materials and other items held for use in production of inventories are not written down below cost. If the finished goods in which they will be incorporated are expected to be sold at or above cost. The comparison of cost and net realizable value is made on an item by item basis. Net realizable value is the estimated selling price in the ordinary course of the business less estimated cost of completion and estimated costs necessary to make the sale.

In determining the cost of raw materials, packing materials, stock in trade, stores, spares, components and consumables weighted average cost method is used. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from the tax authorities) and all the other costs incurred in bringing the inventory to their present location and condition.

Cost of finished goods and work in progress, includes the cost of raw materials, packing materials, an appropriate share of fixed and variable production overheads and other costs incurred in bringing the inventories to present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities.

7. Leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain.

The Company's lease asset classes primarily consist of leases for shops. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset; (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS (Contd..)

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

8. Investments in associate company

The company has elected to recognize its investments in associate company at cost in accordance with the option available in IND AS 27 "Separate financial statements".

While preparing the consolidated financial statements, the company has followed Equity Method as per IND AS 28 "Investment in Associates & Joint Ventures".

9. Taxes on Income
Current Tax

The current tax is determined on the basis of taxable income and tax credits computed in accordance with the provisions of Indian Income Tax Act, 1961.

Deferred Tax

Deferred income tax is provided using the liability method on all timing differences at the balance sheet date between tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the tax rates and tax laws substantively enacted at the balance sheet date. In assessing the realizability of deferred income tax assets the Management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. The Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income and tax-planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, the Management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

10. Financial Instruments

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are considered as cost on initial recognition.

The management assessed that the fair value of cash and cash equivalents, trade receivables, loans, other financial assets, trade payables and other financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Fair Value Hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.

Level 3: Inputs for the assets or liabilities that are not based on the observable marked data (unobservable inputs). There were no transfers between Level 1, Level 2 and Level 3 during the year.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS (Contd..)

Measurement of fair value of financial instruments

The fair value measurement is not applicable since there were no financial assets and liabilities are measured at fair value.

Financial Risk Management

The Company's principal financial liabilities comprise borrowings, trade payables and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade & other receivables, cash & cash Equivalent, Investment, other balances with banks, loans and deposits that derive directly from its operations.

Company is exposed to following risk from the use of its financial instrument:

1. Market Risk
2. Credit Risk
3. Liquidity Risk

1. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The market risk comprises three types of risk: Interest rate risk, Foreign currency risk and another price risk.

- a) Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of market interest risk. The Company's exposure to risk of changes in market interest rates is minimal. The company has not used any interest rate derivatives.
- b) Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. The company has not entered into any forward exchange contracts/ derivative contracts.
- c) Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded prices. The company has not invested in any traded equity instruments or bonds.

2. Credit risk

The credit risk refers to the risk that a counterparty will default on its contractual obligation resulting in financial loss to the company. Credit risk arises from financial assets such as trade receivables, other balances with banks, loans and other receivables. The Company has adopted a policy of only dealing with the counterparties that have sufficiently high credit ratings. The exposure and credit ratings of the counterparties are continuously monitored, and aggregate value of transactions is reasonably spread amongst the counterparties. There are no cases of historical defaults and hence no provision for expected credit loss is necessary.

3. Liquidity risk

The liquidity risk is the risk that the company will encounter difficulty in raising funds to meet the commitments associated with financial instruments that are settled by delivering cash or another financial asset. The company has established liquidity risk management framework for managing its short term, medium term and long term and liquidity management requirements. The company has adequate credit facilities agreed with banks to ensure that there is sufficient cash to meet all its normal operating commitments in a timely and cost-effective manner.

11. Borrowings and Borrowing Cost

Borrowings are recognized initially at fair value, net of transaction costs incurred. Borrowings are subsequently stated at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption value is recognized in the income statement over the period of the borrowings using the effective interest rate method.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognized in statement of profit and loss in the period in which they are incurred.

12. Provision and contingencies

The company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resource embodying economic benefits will be required to settle such obligation and the amount

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS (Contd..)

of such obligation can be reliably estimated. The details of contingent liabilities as on balance sheet are as under;

Particulars	Amount (Rs. In lacs)
i. Indirect tax demands -	
GST – FY 2019-20	35.55
GST – FY 2020-21	11.04
ii. Corporate Guarantee given by the Co.- (a) RNS Infrastructure Limited	45000.00

13. Cash and cash equivalents

Cash and cash equivalent for the purpose of balance sheet comprises of cash and banks balances.

14. Earnings per share

Basic earnings per share is computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The weighted average number of shares outstanding during the year is adjusted for events of bonus issue and share split.

Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

15. Employee benefits

(i) **Short term Employee benefits:** Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance – linked rewards falling due wholly within the twelve months or rendering the service are classified as short term employee benefits and are expensed in the period in which employee renders the related service.

(ii) **Post-employment benefits**

A. **Defined contribution plans:** The company's superannuation scheme, the state governed provident fund scheme, employee insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/ payable under such schemes is recognized during the period in which the employee renders the related service.

B. **Defined benefit plans:** The present value of obligation under defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to weighted average maturity profile of defined benefit obligations at the balance sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amount included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognized in other comprehensive income and is reflected in Retained earnings and the same is not eligible to be reclassified to profit and loss.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognized in the Statement of Profit and loss as employee benefits expense, interest cost implicit in the defined benefit employee cost is recognized in the Statement of Profit and Loss under finance cost.

Gains or losses on settlement on any defined benefit plan are recognized when the settlement occurs. Past service cost is recognized as expense at the earlier of the plan amendment or curtailment and when the company recognized related restructuring costs or termination benefits.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on a net basis.

iii) **Long term employee benefits:** The obligation recognized in respect of long term benefits such as compensated absences, long service award is measured at present value of estimated future cash flows expected to be made by company and is

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS (Contd..)

recognized in similar manner as in the case of defined benefit plans as above.

Gratuity -The Company provides for gratuity, a defined benefit retirement plan (“the Gratuity Plan”) covering eligible employees. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee’s salary and the tenure of employment with the company. Gratuity has been paid through an approved gratuity fund managed by the LIC of India. Premium paid thereon is accounted as expenditure. The Company has also provided for gratuity as per actuarial valuation performed by an independent actuary, at each Balance Sheet date using the projected unit credit method. These defined benefit plans expose the Company to actuarial risks, such as longevity risk, currency risk, interest rate risk and market risk

Leave Encashment - Leave encashment has been determined based on the actuarial valuation, available leave entitlement at the end of each calendar year. The incremental amount so calculated each year is debited to Salaries and Wages - leave encashment.

22. Recent Pronouncements

In August 2025, MCA notified amendments to Ind AS 1 - Presentation of Financial Statements, Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, Ind AS 7 - Statement of Cash Flows and Ind AS 107 - Financial Instruments, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

- Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS (Contd..)

as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments - Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.
3. Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The amendments had no impact on the Company's financial statements as the Company is not in scope of the Pillar Two model rule. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.
4. Amendments to Ind AS 21 - Lack of exchangeability - The Ministry of Corporate Affairs (MCA) notified the Companies (Indian Accounting Standards) Amendment Rules, 2025, which amend Ind AS 21, The Effects of Changes in Foreign Exchange Rates to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows. The amendments are effective for annual reporting periods beginning on or after 1 April 2025. When applying the amendments, an entity cannot restate comparative information. The amendments do not have a material impact on the Company's financial statements.

23. New Labour Codes – Impact Assessment

The Government of India has enacted the Code on Social Security, 2020, the Industrial Relations Code, 2020, the Occupational Safety, Health and Working Conditions Code, 2020 and the Code on Wages, 2019 (collectively referred to as the “New Labour Codes”).

The Company is closely monitoring developments relating to the implementation of the New Labour Codes and the corresponding Central and State Rules. Considering the evolving regulatory framework and implementation requirements, the Company is evaluating the potential impact of the New Labour Codes on its operations and financial statements. Pending completion of such evaluation, the impact, if any, cannot be reasonably estimated at present. Accordingly, no adjustments have been made in the financial statements for the year under consideration.

Independent Auditor's Report

To the Members of Murudeshwar Ceramics Limited

Report on the Audit of Consolidated Ind AS Financial Statement

Opinion

We have audited the Consolidated Ind AS Financial Statements of **Murudeshwar Ceramics Limited** ("the Company"), which comprise the Consolidated Balance Sheet as at 31 March 2026, and the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2026, the consolidated Profit and consolidated total comprehensive income, consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS Financial Statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Ind AS Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the Key Audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
1. Inventory The Value of inventory as at 31.03.2026 is 11,458.15 lakhs which is 18.60% of total asset value. Given the size of the inventory balance relative to the total asset size of the Company, the valuation of inventory required significant audit attention. As disclosed in the notes forming part of statement of accounts inventories are held at the lower of cost or net realisable value determined using weighted average cost. The determination of valuation of inventory requires management to exercise qualitative judgments and apply assumptions.	We have performed the following procedures w.r.t valuation of the inventory and assessment of procedures of physical verification of inventory during the period to ensure accuracy of inventory reporting On a sample basis, we tested the net realisable value of inventory to recent selling prices. We have also considered the stock audit report by Stock auditors engaged by the lending bank to ensure that there are no inconsistencies in reporting At the year end, the valuation of inventory is reviewed by management and cost of inventory is revalued where inventory is forecast to be sold below cost. In the view of the management, basic raw material used is clay for manufacturing of tiles and the same being a natural resource, does not have any depletion in value over the passage of time.

2. Property, Plant and Equipment

Additions to Fixed assets during the year were 5636.63 lakhs (including CWIP of the previous year). Inappropriate timing of capitalization of project/ inappropriate classification of categories of the items of PPE could result in material misstatement of CWIP/ PPE with consequent impact on depreciation charge and results for the year.

Our audit procedures included testing the design implantation and operating effectiveness of controls in respect of review of capitalization of assets, particularly in respect of timing of the capitalization and recording of additions to items of various categories of PPE with source documentation, substantive testing of appropriateness of cut-off date considered for project capitalization.

We tested the source documentation to determine whether the expenditure is of capital nature and has been approved and segregated into appropriate categories. We reviewed operating expenses to determine the appropriateness of accounting.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Ind AS Financial Statements, Standalone Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

We draw attention to Note No. 16 of the Standalone Ind AS Financial Statements, with reference to Statutory Remittances which includes GST payable of Rs. 456.78 Lakhs which is subject to reconciliation.

Our opinion is not modified in respect of the above matter.

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Ind AS Financial Statements that give a true and fair view of the state of affairs, consolidated profit/ loss, consolidated changes in equity and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, Including Indian Accounting Standard (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Ind AS Financial Statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable

assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the Consolidated Ind AS Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality

Materiality is the magnitude of misstatements in the Consolidated Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Ind AS Financial Statements.

Communication with those charged with governance

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial results include the unaudited financial information of RNS Power Limited, an associate, whose financial information reflects total assets of Nil, total revenue of Rs. 0.00, net loss after tax of Rs. (46.15), total comprehensive

 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Company's Management and the Board of Directors have represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Company's Management and the Board of Directors have represented, that, to the best of their knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall,

whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material misstatement.

- v. The Company has declared and paid dividend during the financial year under audit and is in accordance with Section 123 of the Companies Act 2013.
 - vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.
2. With respect to the matters specified in paragraph 3(xxi) and 4 of the Companies (Auditor’s Report) Order, 2020 (the “Order”/ “CARO”) issued by the Central Government in terms of Section 143(1) of the Act, to be included in the Auditor’s report, according to the information and explanations given to us, and based on the Auditor’s Reports on the Financial Statements of the Company and its associates as at and for the year ended March 31, 2026, included in the Consolidated Ind AS Financial Statements of the Company, we report in respect of those companies where audits have been completed under section 143 of the Act, we have reported qualifications or adverse remarks. Annexure - A to the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal & Regulatory Requirement' of our report to the members of Murudeshwar Ceramics Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") of Murudeshwar Ceramics Limited

We have audited the internal financial controls over financial reporting of **Murudeshwar Ceramics Limited** ("the Company") as of 31 March 2026 in conjunction with our audit of the Consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. The Guidance Note and those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to the consolidated financial statements and such internal financial controls over financial reporting were operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Note:2 Significant Accounting Policies

1. Basis of Preparation

The Consolidated Financial Statements comprise the financial statements of **Murudeshwar Ceramics Limited** and its associate **RNS Power Limited**. The Group has no subsidiaries or joint ventures other than the associate.

The Consolidated Financial Statements have been prepared in accordance with **Ind AS 110 – Consolidated Financial Statements**, using:

- **Equity method** for investment in associate (Ind AS 28)
- **Uniform accounting policies** across the Group
- **Elimination of intra-group balances and transactions**, if any

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakhs, unless otherwise indicated.

Basis of measurement

The financial statements have been prepared on the historical cost basis except certain financial assets and liabilities which are required to be measured at fair value as per Ind AS.

2. Use of estimates and judgment

In the application of the Company's accounting policies, the directors of the Company are required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Current / Non-Current Classification

The Company recognizes any asset or liability as current if it satisfies any of the following conditions:

- a) Asset/Liability is expected to be realized/ settled during the company's normal operating cycle.
- b) The asset is intended for sale or consumption.
- c) The Asset/ Liability is held primarily for the purpose of trading.
- d) The Asset/ Liability is expected to be realized/ settled within 12 months after the reporting period.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS (Contd..)

- e) The Asset is cash/ cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- f) In the case of the liability, the company does not have an unconditional right to defer the settlement of liability for at least 12 months after the reporting date.

All other assets/liabilities are classified as non-current.

3. Revenue

- i) Disclosure as per Ind AS 115 "Revenue from contract with Customers - Revenue from contract from customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the company is expected to be entitled to in exchange for those goods or services. The Transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by company as part of the contract. Revenue is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.
- ii) Sale of Products - Revenue from sale of products is recognized when the control on the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time that is, when the material is shipped to the customer or on delivery to the customer as may be specified in the contract.
- iii) Rendering of Services - The Revenue from services is recognized over time by measuring progress towards satisfaction of performance obligations for the services rendered. The company uses output method for measurement of revenue from services.
- iv) Interest - Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.
- v) Dividend - Revenue is recognized when the shareholders' or unit holders' right to receive payment is established, which is generally when shareholders approve the dividend.
- vi) Rental Income - Rental income from the properties given on lease (net of any incentives given to the lessees) is recognized on accrual basis over the lease term.

4. Expenses

All expenditures are accounted on accrual basis after reducing any specific income attributable to such expenditure.

5. Property, plant and Equipment

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalized as the activities undertaken to improve the economic benefits expected to arise from the asset.

Capital Work in Progress

The cost of assets not ready for intended use, as on the balance sheet date, is shown as Capital Work in Progress.

Depreciation commences when the assets are ready for their intended use

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013, except in respect of Plant and Machinery and Factory building, in those case, the life of the assets has

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS (Contd..)

been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Depreciation is provided on estimated useful lives of the assets as per Schedule – II of the Companies Act, 2013 except for the following assets where the useful life has been estimated based on the technical estimate.

Assets	Estimated Life	Life as per Schedule-II
Plant & Machinery	25-30 Years	20 Years
Building/Factory	50 Years	60 Years

Amounts spent on Site preparation at Quarry for mining of Clay have been capitalized under the head Building-Others and Depreciation provided accordingly.

No depreciation is charged on capital work in progress and free hold land.

The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

Derecognition

The carrying amount of an item of property, plant and equipment, is de-recognized on disposal or when no future economic effects are expected from its use or disposal. The Gain or Loss arising from the Derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the statement of profit and loss when the item is derecognized.

6. Inventories

Raw Materials, Work in progress, Finished goods, packing materials, stores, spares, components, consumables and stock in trade are carried at the lower of cost and net realizable value. However, the materials and other items held for use in production of inventories are not written down below cost, if the finished goods in which they will be incorporated are expected to be sold at or above cost. The comparison of cost and net realizable value is made on an item by item basis. Net realizable value is the estimated selling price in the ordinary course of the business less estimated cost of completion and estimated costs necessary to make the sale.

In determining the cost of raw materials, packing materials, stock in trade, stores, spares, components and consumables weighted average cost method is used. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from the tax authorities) and all the other costs incurred in bringing the inventory to their present location and condition.

Cost of finished goods and work in progress, includes the cost of raw materials, packing materials, an appropriate share of fixed and variable production overheads and other costs incurred in bringing the inventories to present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities.

7. Leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain.

The Company's lease asset classes primarily consist of leases for shops. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset; (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS (Contd..)

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e., the higher of the fair value less cost to sell and the value-in-use) is determined on an individual

asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

8. Investments in associate company

The Group's investment in its associate, **RNS Power Limited**, is accounted for using the **equity method** in the Consolidated Financial Statements in accordance with **Ind AS 28 – Investments in Associates and Joint Ventures**.

Under the equity method:

- The investment is **initially recognised at cost**.
- The carrying amount is **increased or decreased** to recognise the Group's **share of profit or loss** of the associate after the date of acquisition.
- The Group's share of the associate's **other comprehensive income** is recognised in OCI.
- **Dividends received** from the associate reduce the carrying amount of the investment.
- If the Group's share of losses equals or exceeds its interest in the associate, the Group discontinues recognising further losses unless it has incurred obligations or made payments on behalf of the associate.

The financial statements of the associate used for applying the equity method are **unaudited**, as stated in the Auditor's Report: *"These financial statements of the associate are unaudited and statements have been furnished to us by the management..."*

Management has represented that:

- The unaudited financial information is reliable,
- No material adjustments are expected upon audit completion

9. Taxes on Income

Current Tax

The current tax is determined on the basis of taxable income and tax credits computed in accordance with the provisions of Indian Income Tax Act, 1961.

Deferred Tax

Deferred income tax is provided using the liability method on all timing differences at the balance sheet date between tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the tax rates and tax laws substantively enacted at the balance sheet date. In assessing the realizability of deferred income tax assets, the Management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS (Contd..)

become deductible. The Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income and tax-planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, the Management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced

10. Financial Instruments

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are considered as cost on initial recognition.

The Disclosure as per IND AS is given as under –

The management assessed that the fair value of cash and cash equivalents, trade receivables, loans, other financial assets, trade payables and other financial liabilities approximate the carrying amount largely due to short-term maturity of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Fair Value Hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.

Level 3: Inputs for the assets or liabilities that are not based on the observable marked data (unobservable inputs).

There were no transfers between Level 1, Level 2 and Level 3 during the year.

Measurement of fair value of financial instruments

The fair value measurement is not applicable since there were no financial assets and liabilities are measured at fair value.

The Group does not hold any financial instruments measured at fair value on a recurring or non-recurring basis

Financial Risk Management

The Company's principal financial liabilities comprise borrowings, trade payables and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade & other receivables, cash & cash Equivalent, Investment, other balances with banks, loans and deposits that derive directly from its operations.

Company is exposed to following risk from the use of its financial instrument:

1. Market Risk
2. Credit Risk
3. Liquidity Risk

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS (Contd..)

1. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The market risk comprises three types of risk: Interest rate risk, Foreign currency risk and another price risk.

- Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of market interest risk. The Company's exposure to risk of changes in market interest rates is minimal. The company has not used any interest rate derivatives.
- Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. The company has not entered into any forward exchange contracts/ derivative contracts.
- Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded prices. The company has not invested in any traded equity instruments or bonds.

2. Credit risk

The credit risk refers to the risk that a counter party will default on its contractual obligation resulting in financial loss to the company. Credit risk arises from financial assets such as trade receivables, other balances with banks, loans and other receivables. The Company has adopted a policy of only dealing with the counterparties that have sufficiently high credit ratings. The exposure and credit ratings of the counterparties are continuously monitored, and aggregate value of transactions is reasonably spread amongst the counterparties. There are no cases of historical defaults and hence no provision for expected credit loss is necessary.

3. Liquidity risk

The liquidity risk is the risk that the company will encounter difficulty in raising funds to meet the commitments associated with financial instruments that are settled by delivering cash or another financial asset. The company has established liquidity risk management framework for managing its short term, medium term and long term and liquidity management requirements. The company has adequate credit facilities agreed with banks to ensure that there is sufficient cash to meet all its normal operating commitments in a timely and cost-effective manner.

11. Borrowings and Borrowing Cost

Borrowings are recognized initially at fair value, net of transaction costs incurred. Borrowings are subsequently stated at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption value is recognized in the income statement over the period of the borrowings using the effective interest rate method.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognized in statement of profit and loss in the period in which they are incurred.

12. Provision and contingencies

The company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resource embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated. The details of contingent liabilities as on balance sheet are as under;

13. Cash and cash equivalents

Cash and cash equivalent for the purpose of balance sheet comprises of cash and banks balances.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS (Contd..)

14. Earnings per share

Basic earnings per share is computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The weighted average number of shares outstanding during the year is adjusted for events of bonus issue and share split.

Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

15. Employee benefits

- (i) **Short term Employee benefits:** Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance – linked rewards falling due wholly within the twelve months or rendering the service are classified as short term employee benefits and are expensed in the period in which employee renders the related service.

(ii) **Post-employment benefits**

- A. **Defined contribution plans:** The company's superannuation scheme, the state governed provident fund scheme, employee insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under such schemes is recognized during the period in which the employee renders the related service.

- B. **Defined benefit plans:** The present value of obligation under defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to weighted average maturity profile of defined benefit obligations at the balance sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amount included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognized in other comprehensive income and is reflected in Retained earnings and the same is not eligible to be reclassified to profit and loss.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognized in the Statement of Profit and loss as employee benefits expense, interest cost implicit in the defined benefit employee cost is recognized in the Statement of Profit and Loss under finance cost.

Gains or losses on settlement on any defined benefit plan are recognized when the settlement occurs. Past service cost is recognized as expense at the earlier of the plan amendment or curtailment and when the company recognized related restructuring costs or termination benefits.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on a net basis.

- (iii) **Long term employee benefits:** The obligation recognized in respect of long term benefits such as compensated absences, long service award is measured at present value of estimated future cash flows expected to be made by company and is recognized in similar manner as in the case of defined benefit plans as above.

Gratuity - The Company provides for gratuity, a defined benefit retirement plan ("the Gratuity Plan") covering eligible employees. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the company. Gratuity has been paid through an approved gratuity fund managed by the LIC of India. Premium paid thereon is accounted as expenditure. The Company has also provided for gratuity as per actuarial valuation performed by an independent actuary, at each Balance Sheet date using the projected unit credit method. These defined benefit plans expose the Company to actuarial risks, such as longevity risk, currency risk, interest rate risk and market risk

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS (Contd..)

Leave Encashment - Leave encashment has been determined based on the actuarial valuation, available leave entitlement at the end of each calendar year. The incremental amount so calculated each year is debited to Salaries and Wages - leave encashment.

22. Recent Pronouncements

In August 2025, MCA notified amendments to Ind AS 1 - Presentation of Financial Statements, Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, Ind AS 7 - Statement of Cash Flows and Ind AS 107 - Financial Instruments, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS (Contd..)

current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments - Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

3. Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. This relief is immediate and applies retrospectively. The amendments had no impact on the Company's financial statements as the Company is not in scope of the Pillar Two model rule. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

4. Amendments to Ind AS 21 - Lack of exchangeability - The Ministry of Corporate Affairs (MCA) notified the Companies (Indian Accounting Standards) Amendment Rules, 2025, which amend Ind AS 21, The Effects of Changes in Foreign Exchange Rates to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows. The amendments are effective for annual reporting periods beginning on or after 1 April 2025. When applying the amendments, an entity cannot restate comparative information. The amendments do not have a material impact on the Company's financial statements.

23. New Labour Codes – Impact Assessment

The Government of India has enacted the Code on Social Security, 2020, the Industrial Relations Code, 2020, the Occupational Safety, Health and Working Conditions Code, 2020 and the Code on Wages, 2019 (collectively referred to as the “New Labour Codes”).

The Company is closely monitoring developments relating to the implementation of the New Labour Codes and the corresponding Central and State Rules. Considering the evolving regulatory framework and implementation requirements, the Company is evaluating the potential impact of the New Labour Codes on its operations and financial statements. Pending completion of such evaluation, the impact, if any, cannot be reasonably estimated at present. Accordingly, no adjustments have been made in the financial statements for the year under consideration.
